
Total Prize of 1,700,000yen 2010 MD Prize King Series & MDP Series

MORIWAKI ENGINEERING is setting up a prize program "(Provisional title) MD Prize King Series & MDP Series" for riders and teams who are participating All Japan and regional championships in Japan to support their activity and broadening the base of future road race population.

(MDP stands for MORIWAKI DREAM POINT.)

--- MD Prize King Series(Provisional title) ---

Give 50,000yen to the winner of each recognized race and a rider who wins the most amount of annual prize money wins this series.

--- MDP Series(Provisional title) ---

Give points to riders who compete with MD250 in the recognized races and the most point obtained rider of the year gets prize money of 100,000yen and a trophy. 30,000yen for second place and 20,000yen to the third place.

The points are given to top 10 MD250 in each race.

Because MDP Series is giving points up to 10th position rider so number of entries through out of the year becomes important.

All MD250 users competing in Japan are in the scope of this prize. Many more riders than the Prize King Series can compete and win the seat of "the Best MD rider of Japan".
