PRESS RELEASE – Race – GP Misano 2010

INTERWETTEN MORIWAKI Moto2 TEAM – Lüthi back on the podium

After a long time waiting Tom Lüthi finished the race of the Gran Premio Aperol di San Marino e della Riviera di Rimini with a third place on the podium again and the long nights for the Interwetten Moriwaki Moto2 Team in which they were searching for solutions did finally show the right result. The 23 year old and his team did work hard to achieve this result this weekend and finally the bike seems to work again as it should. But after the nasty crash in which Tomizawa, De Angelis and Redding were involved throws a dark shadow on this podium and Lüthi and his team hope that the riders involved are okay.

Tom Lüthi, 3rd:

“It is defiantly a good feeling to be back on the podium after a long time. Also this weekend started off with technical problems, but we could solve them during last night. I want to thank my mechanics for the fantastic work they did. But I also want to say that after what happened in the race today it is a very strange feeling to be happy about the podium. I don't know what exactly happened in the crash, but I hope that Tomizawa will be okay.”

Terrell Thien, Team Manager:

“I am happy. We really needed this result and the difficult weekend ended with a fantastic podium finish. I am looking forward to Aragón now and hope it will continue like this.”

Daniel M. Epp, Rider Management:

“After a really difficult weekend with many technical problems we achieved a podium. This race shows, that we were not very lucky with the engine we had to use during the last three races and explains the bad results of the last three races. Nevertheless the team has to work hard to achieve a more stable weekend for the next time.”

Luthi

“久しぶりの表彰台は本当に良い気分でした。今週はテクニカルトラブルからは始まりましたが、昨日の夜には解決できました。素晴らしい仕事をしてくれたメカニックに感謝したいです。

また富沢選手に何が起こったのは良くわかりませんが、その事によって表彰台では戸惑いもありました。

彼の無事を祈っています。”
